

Bossier Parish Community College
Master Syllabus

Course Prefix and Number: CTEC 101

Credit Hours: 3-3-0

Course Title: Information Technology Principles

Course Prerequisites: None

Textbook: IT Fundamentals Pro and Office Pro (MS Office 2019) - TestOut Bundle – ISBN: 978-1-935080-79-4

Course Description: Overview of Information Technology concepts including hardware components, operating system and application software, network connectivity, and security principles. Includes preparation for CompTIA's ITF+ Certification.

Learning Outcomes:

At the end of this course, the student will

- A. explain basic infrastructure principles;
- B. identify common operating systems and applications;
- C. create and edit simple word processing documents; spreadsheets; presentations; databases, and business documents;
- D. demonstrate foundational database and software development concepts; and
- E. identify and mitigate security threats.

To achieve the learning outcomes the student will

(The letter designations at the end of each statement refer to the learning outcome(s).)

1. identify basic hardware components and their purpose; (A)
2. compare and contrast common computer connector types; (A)
3. determine appropriate settings for wired and wireless network connections; (A)
4. compare and contrast common operating systems; (B)
5. identify common applications and their purpose; (B)
6. develop products using word processing, presentation, spreadsheet, and database software applications; (C)
7. identify database concepts and structures; (C)
8. compare and contrast programming logic and techniques; (C)
9. identify basic security threats; (D)
10. use security best practices. (D)

Course Requirements:

- To pass the course, student must achieve a course average of 70% or above.
- Students must have access to a computer (not mobile device), Microsoft Office, and the Internet to complete the assignments. Computer, software, and the Internet are available to students on campus during scheduled computer lab times and in the Learning Commons located in the BPCC Library.

- Students are required to use BPCC's LMS and are encouraged to use the BPCC Library to research topics and employment opportunities.

Course Grading Scale:

- A = 90 - 100
- B = 80 - 89
- C = 70 - 79
- D = 60 - 69
- F = 0 - 59

Attendance Policy:

Each student is expected to attend class regularly; excessive unexcused absences constitute grounds for suspension. Refer to the student handbook for [Attendance Policy](#).

Course Fees: This course is accompanied with an additional non-refundable fee for supplemental materials, laboratory supplies, software licenses, certification exams and/or clinical fees.
