This partnership is mutually beneficial to both institutions for several reasons. This arrangement will benefit the BPCC students, traditional and nontraditional, by offering them as opportunity to continue their education after completing the AAS degree at BPCC with a university that will accept those credits.

Both higher education institutions have full-time, tenure track faculty with advanced academic and field experience credentials.

Both institutions have extensive support resources (i.e., library, on-line access, service courses, and adequate administrative – faculty – staff backup).

In accordance with this Memorandum of Understanding, BPCC agrees to:

Have BPCC students who plan to transfer to LSUS to complete a Bachelor Degree in Computer Information Systems file an Intent to Transfer Form with LSUS to establish the catalog of record for their graduation from LSUS.

Jointly with LSUS, market these Articulation Agreements to prospective Students.

Provide information about these Articulation Agreements on the BPCC Website beginning immediately.

Provide information about these Articulation Agreements in the BPCC catalog beginning 2011-2012.

Provide students the opportunity to obtain the BPCC credit hours as listed in Appendices A through E of this Memorandum of Understanding between LSUS and BPCC.

In Accordance with this Memorandum of Understanding, Louisiana State University in Shreveport agrees to:

Accept BPCC credit hours as listed in Appendices A through F of this Memorandum of Understanding between LSUS and BPCC. All courses that transfer in must have a minimum grade of C.

Along with BPCC, jointly market these Articulation Agreements.

Provide information about these Articulation Agreements on the LSUS Website beginning immediately.

Provide information about these Articulation Agreements in the LSUS catalog beginning 2011 - 2012.
