

MEMORANDUM OF UNDERSTANDING BETWEEN BOSSIER PARISH COMMUNITY COLLEGE AND NORTHWESTERN STATE UNIVERSITY

INTENT

This Memorandum of Understanding between Bossier Parish Community College (BPCC) and Northwestern State University (NSU) is intended to provide expanded educational opportunities for seamless transfer of students between BPCC and NSU. The goal of this Memorandum of Understanding is to reduce duplication of instruction, reduce student time to completion, and minimize student financial obligations.

AGREEMENT

The following associate and baccalaureate curricular areas are covered by this memorandum. These degrees will not be a pure 2+2 agreement, but will still facilitate the planning and transfer of hours between BPCC and NSU. The curricula is as follows:

BPCC (Associate of Applied Science)

Industrial Technology (Automation and Controls Concentration)

NSU (Baccalaureate)

Electronics Engineering Technology (Electronics Concentration)

Details of the transfer of hours between BPCC and NSU are included in the attached course mapping sheet.

In addition, Bossier Parish Community College and Northwestern State University agree to work on enhancing the number of students who transfer to Northwestern State University after completing the AAS in Industrial Technology (Automation and Controls Concentration). Northwestern State University will ask each semester for a list of students completing the AAS in Industrial Technology (Automation and Controls Concentration) and their contact information. Bossier Parish Community College agrees to provide the requested information (where possible staying in accordance with state and federal laws).

The signature of each representative indicates that the institution acknowledges and agrees with the information set forth in the Memorandum of Understanding.
