

**PROGRAM ARTICULATION AGREEMENT  
between  
BOSSIER PARISH COMMUNITY COLLEGE  
And  
LOUISIANA TECH UNIVERSITY**

**Bossier Parish Community College Mission Statement**

The mission of Bossier Parish Community College is to promote attainment of educational goals within the community and strengthen the regional economy. This mission is accomplished through the innovative delivery of quality courses and programs that provide sound academic education, broad vocational and career training, and varied community services. The College provides a wholesome, ethical, and intellectually stimulating environment in which students develop their academic and vocational skills to compete in a technological society.

**Louisiana Tech University Mission Statement**

As a selective admissions, comprehensive public university, Louisiana Tech is committed to quality in teaching, research, creative activity, public service, and economic development. Louisiana Tech maintains as its highest priority the education and development of its students in a challenging, yet safe and supportive, community of learners. Louisiana Tech provides a technology-rich, interdisciplinary teaching, learning, and research environment to ensure student and faculty success.

**PURPOSE**

The attached Program Articulation Pathways summarize an educational partnership between Bossier Parish Community College (BPCC) and Louisiana Tech University (TECH) to provide undergraduate educational opportunities for students who may attend instructional sites at both institutions. Both institutions are committed to seamless transfer so students may successfully complete their academic goals. This Agreement ensures that each institution serves the needs of students by providing them with appropriate and accurate transfer and advising information.

**TERMS**

This agreement shall continue until terminated by either party giving written notice to the other party in order to protect all students transferring between institutions.

**Course Matrix**  
**Bossier Parish Community College AAS Communication Media**  
**To Louisiana Tech University BA Communication Studies**  
**11/1/18**

<b>Louisiana Tech University</b>	<b>Bossier Parish Community College</b>
<p>COMM 201: Intro to Digital Photography            3 Semester Credit Hours. An introduction to photography using digital cameras, image software and digital printers.</p>	<p>COMM 160: Photography. (3-3-0)            This is an introductory course in digital photography which approaches the medium as an art form, a unique means of human communication, and a technical skill. The student is introduced to basic mechanical principles of the camera and how photography has influenced human perception and communication. The student is provided with techniques for responding to the content and structure of photographs. An adjustable digital SLR camera is required.</p>
<p>COMM 311: Copy Editing            3 Semester Credit Hours. 0-3-3 The aim of this class is to teach the future journalists to think like editors.</p>	<p>210: Copywriting for Television and Radio. (3-3-0)            This course provides practice in copywriting for television and radio. Students will sharpen specific copywriting skills using realistic situations.</p>
<p>COMM 106: Introduction to Newswriting            3 Semester Credit Hours. 0-3-3 This hands-on course is designed to help students develop news writing and reporting skills, learn AP style and improve grammar skills.</p>	<p>211: Newswriting. (3-3-0)            Students learn how to start, develop and polish hard news and feature stories. In addition, related styles such as additional column writing are explored along with issues of language use, media ethics and media law. The series and related materials reinforce both traditional and emerging journalism styles in broadcast, public relations writing, and print journalism.</p>
<p>COMM 225: Layout &amp; Design            3 Semester Credit Hours. 0-3-3 The course provides students with an understanding of the technological systems that extend the range of human communications, with an emphasis on visual communication processes.</p>	<p>223: Publication Design. (3-3-0)            Prerequisite: COMM 218 or permission of the instructor            Students will explore the attributes of type and digitally create various layouts for print and digital publication with the goal of understanding and perfecting their visual communication skills.</p>
<p>COMM 295: Multimedia Production &amp; Editing            3 Semester Credit Hours. 0-3-3 This is a practicum course designed to provide the opportunity to apply technical knowledge and skills in actual multimedia production situations.</p>	<p>256: Introduction to Multimedia Journalism.
